Be an active member :)

Many of our activities are organized by voluntary work from committee members. Joining a committee is a good opportunity to get to know your fellow students as well as improve your resume. It usually takes a few hours per week but it is volunteer work, so you can decide on the amount of time to dedicate to our community. Choose the one(s) that you think suit you best:

Activities

Inclucie

This is the committee ensuring that the FMF stays the inclusive and welcoming environment that it's always been.

Braucie

Is responsible for brewing the FMF's own beer.

Perio

Is responsible for the Periodiek, the FMF's popular scientific magazine.

Musicie

This is the committee that keeps alive FMF's musical spirit!

Merchie

Takes care of FMF merchandise.

PION

Organizes monthly board game events.

One-time Events

Lecie

Organizes the leden weekend, which is Dutch for members weekend.

LANcie

Organizes the yearly LAN party.

Support

Comcie

The computer committee. Takes care of the website, the workstations, printers, streepsysteem and more.

Promocorp

This is the hardworking committee that makes sure we have authentic posters for each of our events!

Archie

This committee makes sure that important, interesting and fun documents are archived properly.

Fotocie

Takes photos at FMF events and manages the photo archive.

Career & Excursion

GBE/KBE

There is one excursion per year and they visit relevant companies, universities and research laboratories abroad.

MAD and PAD

Stands for Mathematics Alumni Day and Physics Alumni Day. Organizes these events, where former students are invited to show what you can do with a degree in mathematics/physics.

Excurcie

Organizes excursions to companies within the Netherlands.

Symposia & Educational

Axioma

Organizes a mathematics symposium.

Symcie

Organizes the yearly symposium about mathematics and physics.

Mathematica

Organizes mathematics related events, like the yearly integration competition.

Educacie

Organizes borrel lectures – informal lectures given by a speaker on a subject of their interest or expertise, related to mathematics or physics.

Parties & Borrels

A-team

Organizes active, sometimes sporty events, usually outside of university.

Escalacie

They organize social activities like beer pong or a beer mile and a peculiar borrel.

Kamercie

Our kamerborrels happen due to the energetic efforts of Kamercie.
